PARKER ACTING WITH THE COMMITTEE.

Bill of Complaint Filed and the Return to
the City of District Attorney Fellows
Is Awaited for the Issuance
of Warrants.It is the purpose of the Grand Army of
the Republic to press the charges of wil-
ful violation of the civil service laws
against President Theodore Roosevelt and
Police Commissioners Fred D. Grant and
Avery D. Andrews in the criminal courts.
These complaints arise out of the promo-
tions of Captains Brooks and McCullagh
to Inspectorships. It is alleged that the
promotions were made in direct violation
of the law governing such cases, inas-
much as the rating of the 10 other candi-
dates for the eligible list was unjust and
virtually shut them out from the competi-
tion. Of these 10 candidates 10 were veter-
ans of the United States Army in the Civil
War and as such, it is claimed, should
have had the preference over all others as
provided in article 3, section 8, of the
"civil service appointments and promo-
tions" of the State constitution."The law makes it a misdemeanor for
the commissioners to appoint others of
equal standing in other respects over vet-
erans who are entitled to promotion," said
Edward J. Atkinson, Chairman of the G.
A. R. committee having the matter in
charge. "The civil service law makes it
compulsory for the Board of Police to pro-
mote without regard to their standing on
any list from which such ap-
pointment or promotion may be made.
Now we propose to fight this case to the
bitter end. The veterans have been treated
in a shameful manner, and all G. A. R.
men take a personal interest in fighting
for the rights of their old comrades. Presi-
dent Roosevelt and Commissioner An-
drews have admitted that the rating was
unfair.""Commissioner Parker has stood by us
in this fight. He has followed the law in
this regard, and is, therefore, on our
side. We have enlisted him in our be-
half, and he will furnish us with the facts
as to the proceedings at which the vet-
erans were turned down. We are now
awaiting the return of District Attorney
Fellows to the city before having warrants
served on the officers of President Roose-
velt and Commissioners Grant and An-
drews. Our complaint has been already
filed in the District Court, and it was
thought advisable to wait the return of
the chief before proceeding. In
case Mr. Fellows refuse to prosecute the
charges we will take the case in our own
hands."The committee has engaged Attorney J.
J. Langbein, and Rasmus H. Ransom has
been asked to act as counsel.The G. A. R. committee having the per-
secution of the commissioners in charge con-
sists of Edward J. Atkinson, Chairman Post
No. 578, chairman Joseph A. Golden, Han-
cock Post No. 242, John W. H. H. H. H.
Post No. 248, George Chappell, Van-
derbilt Post No. 136, and P. S. Bigelow,
chairman of the Medical Reserve Corps.
The committee is acting in
conjunction with the Committee on Law
of the G. A. R., composed of the following:
C. W. H. H. H. H. H. H. H. H. H. H. H. H.
J. Langbein, Post No. 100, and J. Bray
Boyd, Post No. 34.President Roosevelt and Commissioners
Grant and Andrews say they will stand on
their records.

SUES HIS OWN DAUGHTER.

Father Wants Pay for Extremely Unique
Detective Services in Her
Behalf.Peter V. Husted has brought suit in the
Supreme Court against his daughter, Octa-
via A. Moss, the wife of Theodore Moss, to
recover \$4,200 for services rendered in
searching to find out whether her former
husband, Samuel Coit, was dead or alive.
The action was brought before Justice Rus-
sell in a motion by Mrs. Moss's counsel to
compel Mr. Husted to accept her answer,
which is a denial of his claim, and the
motion was granted.Mr. Husted says his daughter was married
to Coit on December 20, 1890, in the
Staten Island Baptist Church. They lived
together only three years. Mrs. Moss is
now rich, and she is a widow. Her
former husband is alive he might appear
and imperil the rights of her children.
Husted says he searched hospitals and
other places for eight months for his
son, and found that he was living up to 1893,
when he last trace of him. He does not
know whether he is living or dead. He
places his services for that work at \$5,000,
on which \$800 has been paid, leaving a
balance of \$4,200.

WAS HE PARTNER OR CLERK?

Two Railroad Contractors Fall Out and
Carry the Case to Court.A motion was made in the Supreme Court
yesterday by A. B. Foster, of Nashville,
Tenn., for a dissolution of partnership and
accounting between Foster and John Shea,
of Knoxville, Tenn., who were engaged in
railroad building. Foster claims they were
partners. Shea says they were not.About a year ago Foster and Shea went
to Jamaica to build a section of railroad.
They took their families with them and
lived in tents along the line of the pro-
posed road. Shea got the contract in his
name. Foster was his partner. Foster says
he was a partner. Shea says he was a clerk.

STATE STRONGHOLDS IN DANGER.

Private Dispatches from Ohio, Indian, Illinois
and Missouri Show Great Gains
for the Democratic
Candidate.Affairs about Republican headquarters
yesterday were not as rosy as they have
been in the past. The reason for this feel-
ing was the character of the reports re-
ceived by Chairman Hanna and his asso-
ciates the past few days. In the past
week the executive of the party has awak-
ened to a realization of the fact that things
in the middle West have been going against
them in a manner that makes it absolutely
necessary that something heroic in the
shape of work be done in this section of
the country if McKinley is to carry any
part of it in November.Private advices from prominent Republi-
cans in Ohio, sent to friends in this city,
state that the stronghold of McKinley is in
doubt, while conservative Democrats claim
the State by a majority of 25,000. The
Republican situation in Indiana is worse.
The best political judges in the State place
its electoral vote in the Democratic col-
umn.A few weeks ago, at the time that D. R.
Francis was called to a cabinet position by
President Cleveland, Mr. Hanna proudly
announced in a typewritten interview that
Missouri's electoral vote was certain for
McKinley. Since then Mr. Hanna has be-
come acquainted with the fact that Mis-
souri will go 50,000 Democratic, as usual,
but that the majority work being done by
the St. Louis newspapers is having its
effect upon the situation in Illinois. While
the Republicans have been claiming the
Congressional districts of Missouri's chief
city, the fact is that the wealthiest district
in the United States—the Twelfth Mis-
souri—owing to the Keene-Fliley
fight, probably go Democratic.Richard C. Keene, the boss with the
Hanna connection, took lunch
with Hanna yesterday and talked over the
Western situation, so far as Missouri and
Illinois are concerned.In connection with the statements in re-
gard to the unpromising outlook in the
West was the appearance upon the scene
of General John S. Clarkson, who made a
call at the National Headquarters
and had a consultation with Mr. Hanna.
General Clarkson, according to rumor,
has not been in great favor with the Repub-
lican national machine for some time, and
his appearance about headquarters yester-
day was a surprise to many. According to
reports, the General had been sent for, as
things in Iowa have also taken on a sort
of black-and-blue hue. Besides the arrival
of Clarkson, gossip about headquarters yester-
day had it that Colonel Blocks-of-Gold
had been sent for. The name of Blocks-
of-Gold is a nickname for a man who is
said to be a member of the
number of his family.While the situation in the West is dis-
couraging to the Republicans, the press
bureau continues to give out the most ex-
aggerated statements in regard to the
situation, claiming Texas by 100,000 for
McKinley, Missouri by 50,000, and all the
States east of the Mississippi by anything
from 25,000 to 250,000.Among the callers at the Republican
headquarters yesterday were Senator
Henry Cabot Lodge, of Massachusetts, and
Congressman Powers, of Vermont. Mr.
Lodge left last night to speak at Utica,
N. Y., and at Buffalo, to-day. On October
1 he will speak at Jamestown, Chautauque
County. These speeches have been ar-
ranged to offset the effect of Mr. Bryan's
speeches in the same places. They were
arranged for at the earnest request of the
State Committees, who asked that ex-
President Benjamin Harrison be sent to
these places.

Dr. Joseph Sanner Home Again.

Immigration Commissioner Joseph Sanner
returned yesterday with Mrs. Sanner on the
Sault from Bremen after two months' ab-
sence. The officials of Ellis Island board-
ed the Sault off Liberty Island and the
Sanner family. Dr. Sanner, met Dr. Sen-
ner in the saloon, and drank to the good
health of himself and Mrs. Sanner. The
Commissioner went to his home, No. 348
West One Hundred and Twenty-third
street.Saving a man's life is looked upon as the
greatest service that can be rendered him.
If he is in danger, he feels forever grateful to the
friend who saves him. If he is delivered from
savages, or from wild animals, or from drown-
ing, or from the teeth of a shark, he can hardly
find words to express his gratitude. It is sur-
prising then that Dr. Pierce has received thou-
sands and thousands of enthusiastic letters from
those who have been saved from death and dan-
gering disease by his wonderful "Golden Medical
Discovery." Hundreds of these people write
to say that they had suffered for years; that life
had become miserable; and that death would
have been welcome. Some of them say that
doctors had given them up to die, when the use
of the "Discovery" brought them back to happy
life and health. This great remedy is meant
for any one who has any disease of the throat,
lungs, or bronchial tubes. Its strengthening and
purifying effect on the lungs is so great that it
will positively cure ninety-eight per cent. of
all cases of consumption. It is a cleansing,
strengthening, purifying, invigorating tonic. It
puts new life into the blood and nerves, into
the brain and body. It cures every form of in-
digestion, makes the appetite good, the sleep
sound, the nerves steady.You should have Dr. Pierce's great work, "The
People's Common Sense Medical Adviser." This
handsome, illustrated, thousand-page volume has
had a greater sale, at its regular price of \$1.50,
than any other family medical book ever pub-
lished. It is now offered absolutely free, paper-
bound, and will be sent to you free of charge.
